## ABOUT ME

Average programmer

## WORK EXPERIENCE

11/12/2023 – 11/03/2024 Prishtina, Kosovo  
**INTERN JUNIOR SOFTWARE DEVELOPER** VERSO ALTIMA

Developed features: Get down to work by directly developing necessary and adequate features and functions including Flutter, Dart and PHP to heighten up the app performance and user experience.  
Collaborative coding: The teammates and I wrote code together all using the pair programming method to maintain great standards of code.

Link <https://www.versoaltima.com/>

17/03/2020 – 10/12/2023 Podujevë, Kosovo  
**IT MANAGER** ENISI CENTER

Integrated, developed and implemented IT policies and procedures to enhance operations of the organization.  
Assisted in providing technical support and training to the other staff members.  
Advised on new technologies to enhance the organization's efficiency and output.  
Maintained the security of IT systems and the data contained within them.

## EDUCATION AND TRAINING

01/05/2022 – 01/09/2023 Online  
**DEVELOPING CLOUD APPS WITH NODE.JS AND REACT** IBM - The International Business Machines

Through this class, I grasped the concept of how to create full-stack applications, with the help of Node.js, Express, and React.js.

Website <https://www.ibm.com/>

08/12/2022 – 31/05/2023 Prishtinë, Kosovo  
**COMMUNITY LEADERSHIP ACADEMY** Kosovar Civil Society Foundation (KCSF)

In order to transform a large number of people in our communities, we after the completion of the Civic Engagement Program will do a nationwide initiative to expand community activism, this is the purpose.

**Address** Musa Tolaj, Nartel Center, Lam A, Kati 17, Lakrishtë, 10000, Prishtinë, Kosovo | **Website** [kcsfoundation.org](https://kcsfoundation.org)

31/08/2020 – CURRENT Prishtinë, Kosovo  
**COMPUTER SCIENCE** University "Hasan Prishtina"

Programming languages: Competent in Java, C# and SQL (have some basic Python skills).  
Database systems: Instructed RDBMS, database system design, normalization, SQL querying, NoSQL database engagement, and big data technologies.  
Web development: I mastered HTML, CSS, Javascript, React, and Node. js in order to have dynamic and interactive web apps.

**Address** m9 Eqrem Çabej, Faculty of Mathematics and Natural Sciences , 10000, Prishtinë, Kosovo | **Website** <https://fshmn.uni-pr.edu/> |

**Field of study** Computer Sciences | **Thesis** Use of Artificial Intelligence to generate images

This course offered a great time for me to learn about courses and classes that are part of the Java programming language used in Android.

An important feature of the given course was to introduce JavaScript programming language and several of its key parts. Throughout my experience on the course I was working on many practical exercises. I was in 4-6 hours per week with 1:1 live sessions, on-demand video lectures, quizzes, and programming assignments.

**Website** <https://www.vanderbilt.edu/>

10/08/2021 – 12/08/2021 Prishtina  
**SOFT SKILLS** American Corner Prishtina

---

This was a workshop for high school and university youth to learn and develop their soft skills such as communication, leadership, teamwork, critical thinking, and creativity.

**Address** 10000, Prishtina | **Website** <https://pristina.ackosovo.com/>

16/10/2020 – 31/01/2021 Kosovo  
**"JAVA PROGRAMMING" TRAINING** "Omicron" Sciences Academy

---

Certificate states that the student is able to: program and debug java applications and applets & apply and think algorithmically to solve programming problems.

**Website** <http://www.omicron-academy.com/> | **Field of study** Java Programming

01/10/2021 – 14/05/2022 Prishtina, Kosovo  
**MENTEE OF MOF** Mentoring our Future

---

One of the key objectives of this program was to facilitate knowledge transfer from the experienced professionals as to the mentees being aspired to take up the same careers.

**Address** 10000, Prishtina, Kosovo | **Website** <https://mofkosovo.com/> | **Field of study** Information and Communication Technologies

12/04/2021 – 09/08/2021 Virginia, United States  
**CYBER** Organization CRDF Global

---

With this training now I have all the required knowledge for safeguarding from day-to-day cyber-attacks and for catering to cyber hygiene by learning about the basic security rules for information.

**Address** 1776 Wilson Blvd. Suite 300, Arlington, 22209, Virginia, United States | **Website** <https://cybereducation.org/>

16/11/2019 – 12/03/2020 Kosovo  
**"MICROSOFT OFFICE" TRAINING** "Omicron" Sciences Academy

---

And this is a document attesting that I passed the Microsoft Office exam with distinction, learning all its functions and apps.

**Website** <http://www.omicron-academy.com/> | **Field of study** Microsoft and Windows

13/06/2015 – 12/05/2017 Kosovo  
**C2 PROFICIENCY** "The Harvard School"

---

In this course I have developed the basic skills of a language: advanced listening, reading, speaking and writing.

**Website** <https://www.facebook.com/harvardfb-343646235799337/> | **Field of study** English

10/10/2021 – 27/10/2021 Prishtina, Kosovo  
**DIGITAL VERIFICATION TRAINING** Kosovalive, British Embassy Prishtina, Albany associates

---

I learned how to deal with deception, and I know how to identify and track the sources of it.

**Address** Pallati i Shtypit, Media Aneksi II, 10000, Prishtina, Kosovo | **Website** [www.kosovalive.org](http://www.kosovalive.org) | **Field of study** Digital Verification

01/07/2019 – 01/07/2020 Kosovo  
**SOCIAL MEDIA MANAGEMENT** Advocacy Training and Resource Center (ATRC) , USAID , Center for Advanced Studies – FIT

---

The goal of the project was to involve youth in workshops on social media management, as well as foster their critical thinking, build their self-esteem, and thus, make them active members of the job market.

**Field of study** Social media management

31/08/2007 – 20/06/2017 Kosovo

**PRIMARY AND MIDDLE SCHOOL** Kongresi i Manastirit

LANGUAGE SKILLS

Mother tongue(s): **ALBANIAN**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C2	C2	C2	C2	C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Communication | Leadership | Java programming | React.js | Node.js / Express | RESTful APIs | MySQL | JavaScript - JQuery | PostgreSQL | Agile/Scrum Methodologies | UI/UX Design | Typescript | React Native | PHP | HTML5 | CSS3 | Server-side development | Docker | .NET framework | C# | App development: Flutter & Dart, React & React native, | Android Developing: Kotlin (Android Studio)

VOLUNTEERING

The function of this club was that it would give us opportunities that were meant to amuse us, teach us and develop certain topics and projects that we were all interested in, and as a part of us, in the middle of the group work, we constructed the platform "Education, Technology, Innovation and Development".

Link <https://etinup.netlify.app/>

22/06/2023 – 12/01/2024 Prishtina

**Deputy at assembly of the youth of Kosovo**

---

Link <https://www.facebook.com/kuvendiiterinje/>

## PROJECTS

---

27/10/2022 – 10/12/2022

**Development of the platform for education, technology, innovation and entrepreneurship**

---

Creating the website with the collaboration of my team members is for getting information about the faculties, interaction with students and audio/video recordings for the educational purposes.

Link <https://etinup.netlify.app/>

**Prizren Park - smart parking application**

---

A smart parking app designed and developed with Flutter which also intends to improve parking management in Prizren. Technologies used: Flutter, Dart, PostgreSQL, RESTful APIs.

10/12/2022 – 15/05/2023

**Developing the platform EtinUP**

---

An incredible achievement and a great testimony of creativity, innovativeness and dedication to improving my local community. Such creation is really a great achievement.

Link <https://etinup.netlify.app/>

08/01/2023 – 08/05/2023

**E-commerce website with PHP**

---

Developed an interactive online store by implementing an authorization system for users, details about products, an advanced search and a cart that can be secured and integrated with PayPal. MVC architecture implemented by me is capable of greater flexibility and customization of code.

Links <https://github.com/QabiEj/e-commerce.git> | <https://butikuneo.live/>

**BillPay App - comprehensive bill management solution**

---

Technologies used: Flutter, Dart, PHP, Laravel, PostgreSQL, RESTful APIs. Designed a cohesive bill payment and management application to be used on mobile and web platforms.

Link <https://lucid-chaplygin.142-93-100-124.plesk.page/>

07/05/2023

**Software engineering of an ecommerce website with shopping carts**

---

This is proof of my UI/UX design skills.

Link <https://github.com/QabiEj/SoftwareEngineering-EcommerceWebsite.git>

**ChatGPT next web project**

---

Link <https://chat-gpt-next-web-lake-five-25.vercel.app/>

**E-commerce website using Wix**

---

Link <https://shabanejupi.wixsite.com/butiku-neo>

05/2023

**Library management system with chat functionality**

---

Based on dotNET+C# technology in Visual Studio, the application correctly implements library tasks with features like login page, library staff operations, chat functionality, task management, secure access.

05/05/2023 – 02/08/2023

## IBM watson NLU project

---

Successfully forked git repository, installed server side packages, integrated IBM Watson, created endpoints, developed client side with React, and maintained version control by committing and pushing with precision.

Link <https://github.com/QabiEj/cazgi-IBM-Watson-NLU-Project.git>

## HOBBIES AND INTERESTS

---

Artificial intelligence and machine learning

---

Mobile app development

---

Web development and design

---

Software development and coding

---

## HONOURS AND AWARDS

---

23/12/2022

Honored with price of best group project – KUSA

---

## NETWORKS AND MEMBERSHIPS

---

10/02/2023 Prishtina

Fellow of the program of fellowship from teach for Kosova

---

This is a 2-year fulltime training leadership program aimed at top notch Kosovar graduates to ensure job placement and professional learning as well as participate in leadership development.

Link <https://www.teachforkosova.org/>

## DRIVING LICENCE

---

Driving Licence: B1

## MANAGEMENT AND LEADERSHIP SKILLS

---

Project manager and leader in EtinUP

---

As a head of the group, I am glad to declare that the project - the development of the platform for students of the University of Prishtina called EtinUP has successfully come to an end.

Link <https://etinup.netlify.app/>
